TRAVEL INFORMATION

Bus stops in Raunds

All buses from Rushden Lakes arriving in Raunds via Stanwick stop at the bus shelter on the south side of Marshalls Road (Raunds Square).

After a 2 minute wait, all journeys (except the 18.48 weekday X46 arrival and the last X47 journey at night) then proceed to Warth Park before returning via Brick Kiln Road to Raunds Town Centre. The closest stop to Raunds Square is located in the High Street diagonally opposite to the library. Departing journey times to Rushden Lakes are shown from this stop.

Route 45 Routings

Sunday daytime routing to and from Rushden Lakes operate via Stanwick and then direct to (or from) Rushden Lakes. Journeys then continue to Rushden and Higham before proceeding to Irthlingborough and Wellingborough.

Nightly evening services on this route follow a different pattern with all services operating directly between Warth Park and Rushden Lakes via A45. For journeys returning from Warth Park passengers may alight at Warth Park, Raunds High Street and then at Stanwick. These buses then return to Warth Park before running to Rushden Lakes after an 18 minute wait. As a consequence of this routing there is no direct service to Rushden Lakes other than via Warth Park and no direct service from Stanwick to Raunds other than the last X47 service.
