Queens Colonnade [part of Queen's Green canopy] Green Strategy			Proposal: Seven trees to be planted to represent each decade. Silver Birch do not grow well in Stanwick so an alternative species would be required e.g. hornbeam. Could be planted on the grass at Cleburne Close along the path and have a dual purpose of stopping vehicles driving on there. To be planted autumn 2022. Could ask people/businesses to sponsor a tree [dedicate] www.queensgreencanopy.org –has section for Parish Councils	
Stanwick in Bloom		21.77 Aug 21	Parish Council to co-ordinate Do we include crafting/flower arrangements in the church? Do we have categories and prizes or as was suggested just have people enter and get involved? Charge for maps rather than entry fee – funds raised go to local charity i.e. foodbank
